

Press Release - Church Art Works & Group Imaging

We are very excited to announce that Church Art Works (CAW) and Group Imaging are joining forces!

Group Imaging has been a long time vendor and partner in ministry with CAW for over 10+ years. This merger allows us to continue serving churches, camps, and ministry organizations with our new lower prices (already posted online). Along with even more opportunities for CAW to serve your ministry better and faster than ever before!

Here are a few highlights of what can be expected, as we strive to serve you better now and into the future:

- **New 72 Hour Turnaround Times** (coming soon)
From approval to custom printed apparel.
- **Quadrupling our Square Footage -**
We're immediately transitioning from 5,000 to 21,000 sq. ft. with a new 35,000 sq. ft. facility in the works for April of 2019.
- **New Onsite Manufacturing and Production**
This is not only for the custom printed garments, but also a wide variety of graphic display products, from postcards to billboard size banners.
- **Church & Children Theming Projects**
Here is a "Sneak Peek" video of a Children's Ministry Theming Project...enjoy!

- **Direct to Garment Printing** (coming soon)
This is a great leap forward that will allow Custom Full-Color Printed Garments, of any size. We hope to have this "premium service" available online within 60 days. This is a game changer!

We have a plaque up on the wall, when a person first walks in our door...it says "Presenting Christ Through Quality". We always want everything that comes out of Church Art Works to be better than anything a person could ever hope to find, even in the secular world. And this merger helps us continue to strive towards that goal!

Everyone at CAW and Group Imaging realizes that it's you shepherds who have the hard job on the front lines. So, anything we can do to help equip and make a pastor's job easier if we can, or their assistant (if they are so blessed to have one), that's also one of our main goals. :-)

We know you all wear so many hats in His service, let alone, having to be a graphics, clip art, video, presentation, display, sign & banner, camp photo, brochure, postcard, calendar, t-shirt, logo and ministry branding experts to boot. ;-)

Thanks again for all you do in His Kingdom, and continued blessings in the ministry you've been given to watch over!
